Sub: Meditation talk on why  
"Students should do meditation"

Respected Sir,

In today's highspeed Internet  
time, there is pollution developing called  
thought pollution, so students need to know  
how they can overcome this pollution &  
how meditation helps in easing their life & giving  
psychological relief & protection from any disease.

So sir kindly give me a 1-1.5 hours  
time in morning session for the lecture of  
meditation & presentation on science in  
spirituality. (Tuesday, Wednesday, Friday) M-6355895138
