Certificate Course in SCOPE

(SOCIETY FOR CREATION OF OPPORTUNITY THROUGH PROFICIENCY IN ENGLISH)

ABOUT SCOPE:

SCOPE (Society for Creation of Opportunity through Proficiency in English), established in 2007 by the Government of Gujarat to build English language proficiency in the youth of Gujarat and thereby create employment opportunities for them, has been the most successful PPP model in the state. It has an established network of 200+ centres through two Zonal Training Partners (ZTPs) for the purpose of providing English language training to the candidates. More than 800 colleges and universities are also SCOPE centres. SCOPE programme is centred on three challenges of education - Access, Equity and Quality. Cambridge English Language Assessment, part of the University of Cambridge, UK, and UK are the Assessment and Certification partners of SCOPE.

The programme runs into PPP (Public Private Partnership) and ITP (Institutional Training Partnership) model and has more than 800+ training centres across

state. It is the most successful project of Govt. of Gujarat where all stakeholders are in profit. The BEP for a training centre is achieved by running an initial batch of 10 candidates only. SCOPE is conducting online exam of international standard at such a mass scale which is unique in the world. SCOPE conducts exam in almost every talukas of the state. Major highlights of the programme are:

- PPP centres are controlled through two Zonal Training Partners (ZTPs).
- Presence in all districts of Gujarat.
- Online Examination
- Availability of material in the form of books, CDs/ DVDs, online resources, sample tests, question papers.
- Free mobile learning App, "FLINT" available on IOS, Android platforms and desktop
- International Certification by Cambridge English, part of the University of Cambridge, UK, US and UK
- Enhancing the employability and showcasing the proficiency of English.
- Tests equivalency to IELTS and other international tests as per CEFR levels.
- Training of 90 hours at each level - face to face classroom training as well as practice on computers using language learning softwares.
- Training programme is being developed on the Common European Framework (Level A1 to C2, six levels) of Reference.
- Quality Assurance Cell (QAC) to grade SCOPE centres in A, B & C categories.
- Online MIS (Management Information System) for various processes.
- SCOPE had already crossed more than 5,31,000 enrolments.

Objectives:

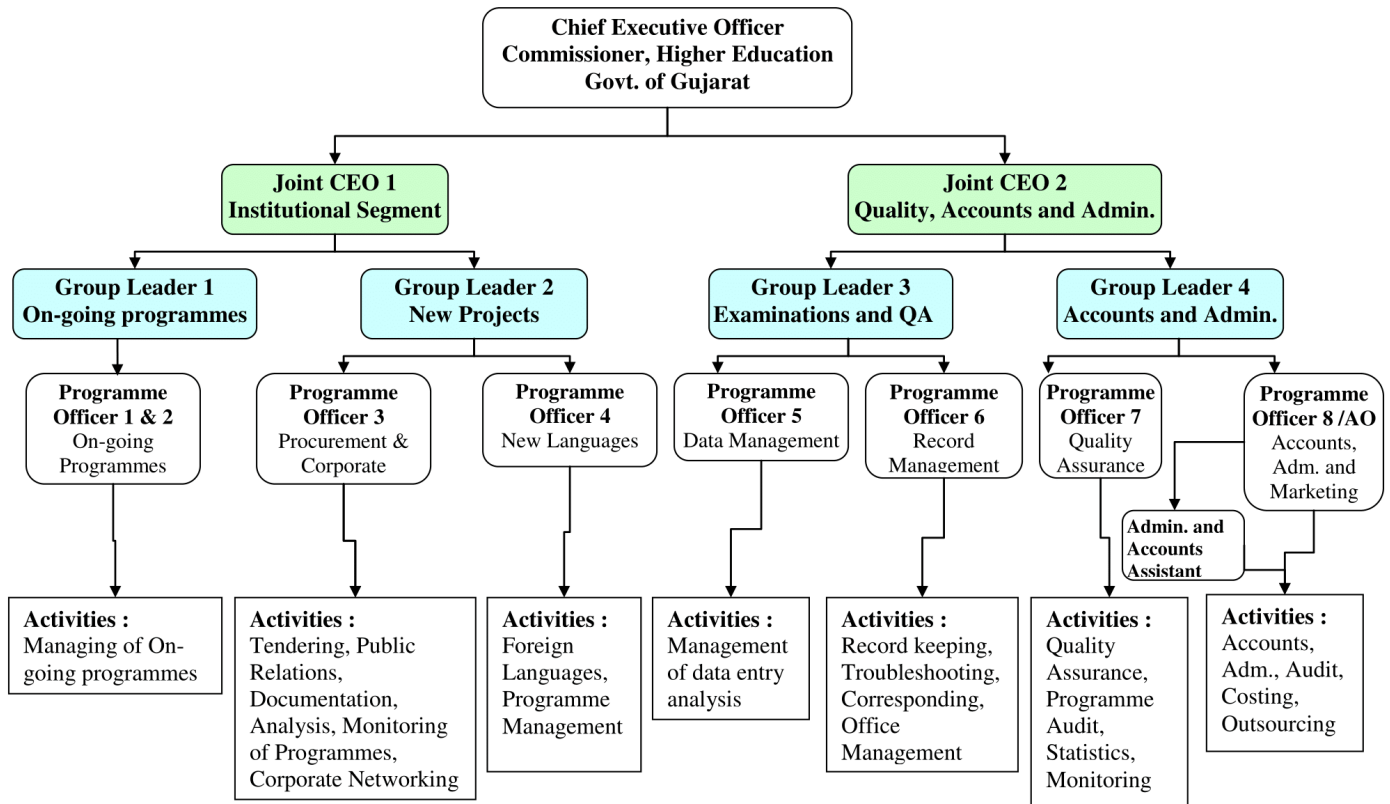

1. To act as an autonomous and independent body to implement English language teaching in Gujarat and outside Gujarat.
2. To aid and promote advancement of communication skills in English by imparting training to the youth of 15-35 years of age group.
3. To identify partners to serve the purpose for imparting and enhancing English language teaching.
4. To monitor the functioning of the training centres run by the identified partners.
5. To prepare an appropriate curriculum for various levels of need based training programmes.
6. To prepare need based training modules for English language teaching.
7. To encourage use of technology in English language teaching.

PLACEMENT OPPORTUNITY:

SCOPE not only provides learning opportunities but also placement opportunities for its pass out candidates. SCOPE has signed MoU with Azure Knowledge Corporation, No.1 KPO/BPO of Vodafone, during Vibrant Gujarat Summit to provide employment opportunities to students who pass out SCOPE exam. Following are the highlights of MoU:

1. SCOPE pass outs will directly appear in second round of interview. They are exempted from very first round of interview.
2. Azure will absorb 1000-1200 scope candidates every month provided they meet the criteria of minimum qualification of Azure and clear interview.
3. Azure will conduct training sessions for the unqualified candidates to empower and train them for next round of interview.

Organogram of SCOPE (as approved in 15th EC meeting of SCOPE held on 24th October and 6th November of 2013)

SOCIETY FOR CREATION OF OPPORTUNITY THROUGH PROFICIENCY IN ENGLISH

(A Government of Gujarat Initiative)

No:SCOPE/Revision Fees/2019/0188

Date: 07/06 /2019

To,
The Principal

Subject: Revision of reimbursement amount for students appearing in BULATS.

Sir,

As you are aware that SCOPE is one of its own kind of initiative by state government and have been successful to achieve its objective. SCOPE in association with Cambridge University offers two variant of exam i.e. CPT and BULATS. CPT is designed to test candidates' basic language skill while BULATS tests the proficiency level of a candidate.

Over the years it has been observed that, the enrollment figure for BULATS is extremely low. In order to enhance the proficiency of students it is necessary that students appear for BULATS exam.

To encourage students to enroll for BULATS exam, SCOPE's executive committee meeting held on 11th April, 2019 decided to revise the college's share from ₹ 75/- to ₹ 150/- per student present for BULATS exam, effective from 1.5.2019.

Open Assessment Scheme (OAS)

Sr. No.	Course	Total fee to be collected from a candidate (1)	SCOPE fee (2)	College share (Existing) (3)	Revised college share (4) Against (3)
1	A Level – CPT	350/-	275/-	75/-	No Change
2	B Level – BULATS	840/-	765/-	75/-	150/- per student present for BULATS exam
3	C Level – BULATS	840/-	765/-	75/-	150/- per student present for BULATS exam
4	A level – with training through DELL or otherwise	750/-	275/-	475/-	No Change
5	B level – with training through DELL or otherwise	1440/-	765/-	675/-	No Change
6	C level – with training through DELL or otherwise	1440/-	765/-	675/-	No Change

With the revision in reimbursement scheme, it is expected from colleges to make students aware about the benefits of BULATS exam and to encourage them to enroll for BULATS exam.

Linguaskill 

Simplify your English language testing

The accurate English test with fast results

The accurate English test with fast results

Linguaskill is a quick and convenient online test to help organisations check the English levels of individuals and groups of candidates. It tests all four language skills: speaking, writing, reading and listening.

It's fast and accurate, and can be easily administered and invigilated at your own venue at a time that suits you. The same test is used for all abilities.

It provides accurate results within 48 hours, with clear individual Test Reports and Group Reports. Results are aligned to the Common European Framework of Reference (CEFR), the international standard for describing language ability. Linguaskill also reports on the Cambridge English Scale to provide a more detailed understanding of performance.

There are also two test options, Business and General, so that you can test the type of English best suited for your organisation.

All you need to run the test is a computer, an internet connection, a microphone and a set of headphones.

Delivered by the experts

We are Cambridge Assessment English, part of the University of Cambridge. We provide the world's leading range of English language qualifications for higher education institutions.

Globally recognised by more than 20,000 leading universities, employers and governments, our in-depth exams are a mark of excellence and give learners the skills they need to succeed.

Linguaskill has been developed by a dedicated team of experts. Supported by artificial intelligence, the test is reliable and accurate.

Enhance your English language testing

Higher education institutions, employers, pathway providers and training providers can use Linguaskill for:

Admissions

Assess students' language levels on admission.

Recruitment

Hire employees with the right English skills.

Graduation

Check your students meet exit requirements.

Progression

Measure improvement in language ability over time.

Why Linguaskill?

Accurate and trusted

Linguaskill has been trialled by speakers of over 40 languages from 50 countries to ensure the accuracy and reliability of the results.

Fast results

Linguaskill generates individual Test Reports and Group Reports within 48 hours, with instant results for the Reading and Listening module.

Easy to administer

Linguaskill doesn't have any set dates or venues; you can run and invigilate the test at your own site, whenever you want.

In-depth reporting

You'll receive a Test Report showing a Cambridge English Scale score for each language skill, to help you easily make informed decisions and compare performance.

Supporting your needs

Easy to use

Linguaskill can be easily administered and invigilated at your own venue. Simply order tests via our online test platform and run them at a time that suits you.

- You can upload candidates' details in bulk, which will save you time in setting up the test.
- Monitor your test purchases and usage with Linguaskill's reporting function.

Comprehensive customer support

Receive help whenever you need it. We provide a comprehensive range of support materials, and our helpdesk is available to take your calls 24 hours a day, seven days a week.

Flexible and tailored

Modular testing

Linguaskill is a modular test which assesses reading, listening, writing and speaking. This gives you choice about the skills you want to assess.

The Reading and Listening module is adaptive: questions become easier or more difficult depending on an individual's previous answer.

Test format	
	Reading and Listening (combined) 60–85 mins approx
	Writing 45 mins
	Speaking 15 mins approx

Test options

Within Linguaskill there are two test options, General and Business. This lets you choose the type of English that will be tested, based on your objectives.

Linguaskill General

Linguaskill General tests English used in daily life, making it suitable for university admission and recruitment for roles in a non-business-specific environment. For example, where the employee needs strong English skills to perform their role effectively, but does not need specialist business terminology.

This makes the test suitable for a broad range of organisations. Test topics include studying and working, making future plans, travel and technology.

Linguaskill Business

Linguaskill Business tests English used in a business and corporate setting and is most suitable for recruitment in organisations where employees are expected to be familiar with the language of business.

It is suitable for large or small organisations, which may be operating on an international level. Test topics include the buying and selling of products or services, the office, business travel and human resources.

Results and reporting

Accurate and detailed

Gain insight into candidates' abilities with individual Test Reports, or compare a number of candidates using a Group Report. Results will be generated within 48 hours, with instant results for Reading and Listening.
